

Quantum Resonance Magnetic Body Health Analyzer

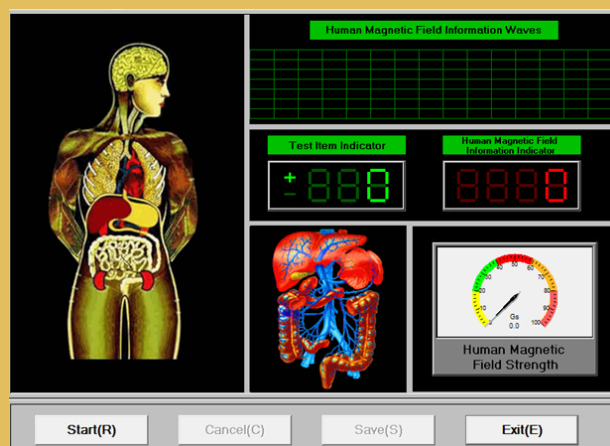

<https://quantumanalyzer.ng/>

Full Body Exam

The Quantum Resonance Magnetic Body Health Analyzer is a new instrument to assess the systems of the body. Simply by holding sensors in your palm, the health data will be collected within minutes from various body systems. The analyzer can capture the pathological changes of cells and predict the precursor of disease. By taking health-care actions at this moment, you may be enabled to effectively prevent the various chronic diseases. With the Body Health Analyzer one is able to get a detailed look into the condition of the entire body.

31 areas are tested:

- ◆ Cardiovascular/Cerebrovascular
- ◆ Gastrointestinal
- ◆ Liver/Gallbladder/Pancreatic/Kidney
- ◆ Lung
- ◆ Brain Nerve
- ◆ Bone Disease/ Bone Mineral Density/ Rheumatoid Bone Disease/Bone Growth
- ◆ Blood Sugar/Blood Lipids
- ◆ Basic Physical Quality
- ◆ Human Toxin/ Trace Element/ Heavy Metals
- ◆ Amino Acid/ Endocrine System,/Immune System
- ◆ Gynecology/Prostate/Breast/Menstrual Cycle
- ◆ Skin/Eye/Allergen/Vitamin
- ◆ Obesity
- ◆ Coenzyme
- ◆ Element of Human

The Quantum Resonance Magnetic Body Health Analyzer tests for 31 different areas. It can capture the pathological changes of cells, with speed and accuracy while being non-invasive and painless.

Houston Holistic Health Clinic now offers the Quantum Resonance Magnetic Body Health Analyzer Test. For \$60 you will get a full composite report on all of the systems of your body. You also will get three detailed area reports to review with our Naturopathic Doctor. Call today for an appointment, 8613510907401
